

Established:

1981

Our Mission:

To be a catalyst for promoting economic development and integration, emphasizing the role of the private sector, as a means to improve the economic and social well-being of the people of the Americas.

Where We Work:

The Institute of the Americas has a Western Hemispheric focus. The Institute undertakes programs, develops policy papers and organizes conferences, roundtable discussions, and webinars addressing emerging issues of importance to countries across the Americas from Alaska to Argentina.

Our Programmatic Priorities:
