

BIOGRAPHY

 **La Jolla, California, USA**

Christian Chavez is Systems Administrator at the Institute of the Americas. He holds a Bachelor's degree in Linguistics from the University of California, San Diego. His passion for computers from a very young age drew him to work in the field since 2003. His experience ranges from computer sales and repair, to network and telecomm cabling installation, to systems and network administration and security. After trying out a partnership for a couple of years, he decided to start his own company in 2011 providing a wide range of IT services to businesses throughout San Diego.
